DESCRIPTION

This project identifies capital expenditures and appropriations for local parkland acquisitions, including related costs for surveys and appraisals. Local parks include urban, neighborhood, and neighborhood conservation area parks, as defined by the Park, Recreation, and Open Space (PROS) Plan. Acquisitions may include Piney Branch Road Urban Park and Cross Creek Local Park addition. Other unspecified sites and additions to existing sites may be pursued if they become available and funds are available. To the extent possible, the Commission acquires parkland through dedication at time of subdivision; however, to meet all parkland needs, this method must be supplemented by a direct land purchase program.

JUSTIFICATION

The Park, Recreation, and Open Space Master Plan (PROS): A Local Land Preservation and Recreation Plan, approved by the Montgomery County Planning Board in July 1998, and other adopted area master plans guide the local parkland acquisition program.

Cost Change

Increase due to the expected increase in program open space funds, and the addition of FY11 and FY12 to this ongoing project

STATUS

Ongoing.

OTHER

Beginning in FY03, \$25,000 covers annual one-time costs to secure properties, e.g. removing attractive nuisances, posting properties, cleaning up sites, etc. These costs are not projected for operating budget impact because the Department does not know when the negotiations for a particular property will be concluded or which Division's operating budget will be affected.

* Expenditures will continue indefinitely.
